FOLDING RAMPS

# FREEDOM SERIES™ FOLDING RAMPS

National Ramp's Freedom Series™ is ideal to accommodate visitors or to navigate curbs on the go. National Ramp's Freedom Series™ folding ramps offer safe passage for elevations up to 5".

Safety features include a textured, anti-slip surface and toe guard. Engineered to provide the strength and stability at a lighter weight than similar products on the market, these folding ramps are an economical and convenient solution for on-demand access.
