Adds extra comfort on a chair,
shower chair or in the car! Folds up
compactly for travel.

We love the Happy Tush Seat Cushion because its *Gel-Cell Comfort Technology* with 2" double layer offset cells takes on your pressure points and allows for optimal circulation and comfort. The gel cushion is durable and water resistant, and its black polyester cover is removable and washable and features a slip-resistant bottom and carrying handle. The Happy Tush Seat Cushion rolls up and folds up to pack and take anywhere, so it's perfect for home, office and travel. Sit and *Be Happy!*
