 GOLDEN

The all-new LiteRider Envoy Power Wheelchair is both stylish and durable with a tubular design that is unique to the Golden LiteRider family! A Dynamic LiNX controller comes standard and the traditional style makes driving simple and reliable. The new premium seat offers contoured support with an increased back height of 17" for a longer seating tolerance and added comfort. The Envoy, featuring 2-22 amp hour batteries for an operating range of up to 15.5 miles, is Golden's Retail Cash Power Wheelchair! It has a larger footplate, an impressive turning radius of 28.5", and disassembles quickly and easily for transport. When you are looking for a compact power wheel chair that is fun to drive and easy to transport – look no further than the Golden LiteRider Envoy!
