## The Future of Heavy Duty Mobility

The Jazzy® EVO 614HD has tall 13.75-inch drive wheels, the centerpiece for Pride's beloved Mid-Wheel 6® platform. Active-Trac® ATX Suspension adapts to the terrain, so grassy fields and gravel paths feel smoother than they ever have before. And now, with a new memory foam seat, your Jazzy EVO 614HD is ready to provide all-day comfort right out of the box.

- 3" ground clearance
- 13.75" perforated mid-wheel drive tires
- Front and rear independent Active-Trac® ATX Suspension
- Removable matte-finish color-through shrouds
- Depth-adjustable, limited recline, memory foam heavy duty single seat post allows the user to swivel
- Access to controller and batteries without the user needing to exit the chair
- Standard lap belt (60" - 18" or 20" W, 70" - 20" W)
