

SOFT AND SUPPORTIVE

Select Your Mattress

Our complete lineup of mattress constructions feature a beautiful knit fabric quilt panel with a designer border and taped edges. The plush, multi-layered, quilted cushion-tops are made with hi-density, super-soft polyurethane foam and flame-resistant polyester fiber, while the bottom layers are protected by a non-skid material that prevents the mattress from sliding across the adjustable foundation and provides a flame-resistant barrier. Our gel-foam mattresses feature smooth-top zipper covers to keep you as close to the cooling gel as possible. Our mattresses are thicker and more luxurious than ever before.

Premier and Hi-Low SL foundations can be paired with any of our mattress constructions listed below. Value-Flex foundations are available only in a soft, medium or firm innerspring construction.
